

One can see many things looking at unconventional profile of Liu: a fragment of an ancient ornament, a stylized letter, even an ancient fossil - the unpolished form meets the exposed wood in harmony. Experience a perfect combination of style and functionality!

Use the twisted hollow inside of Liu as a shelf to keep your newspaper or tablet while sitting on this stylish chair.

Our standard transportation package consists of a few layers of plastic cover (including bubble plastic wrap) and a 5-layer cardboard box. Alternative transportation package material must be agreed upon individually.

Materials

Frame	plywood
Upholstery	combined 40-44 kg/m ³ high resilience polyurethane, zigzag springs in the seat and elastic belts in the backrest
Cover	fabric, leather
Feet	painted hardwood
Side panel	lacquered hardwood: American Black Cherry, American White Oak, Merbau, Black Walnut. Note: the wooden panel is on one side only; it consists of separate segments!

Please be aware that the colour shades can appear different from the real hardwood colours.
